

**REPORT FROM DONCASTER COMMUNICATORS  
FOR THE AUSTRALIAN REGION CONVERENCE TO BE HELD IN MAY 2019**

Although Doncaster Communicators is a small Club, each meeting provides variety, challenges and humour at our meetings.

Doncaster notched up its 1026 meeting in June this year. Longest serving members are Lorna Shaw, Pat Griffith and Moni Lobascher.

Working towards an increase membership has been a challenge, particularly for the President to become familiar with the “Meet up”online process. We “went live” in January 2018 with set-up”help from Mary Wong. Since then the President has responded to 62 notifications with only a couple of “walk ins”. The Club will continue to respond to enquiries.

It was decided to go “back to basics’ in our programming as we have 2 new members to guide along the way and a refresher for ongoing members. So each meeting features an education based session on the assignments found in the Master Manual. Currently we have 8 members - the newest 2 members are a delight and have joined in making the meetings fun and informative.

MONI LOBASCHER  
President  
Doncaster Communicators
