

## **POWERtalk Australia Speech Contest Judges**

POWERtalk Australia Speech Contest Judges have demonstrated knowledge and experience in judging speakers of varying levels and have been assessed against strict criteria. They are highly experienced in judging speaking contests and are qualified to serve at all levels, including at their own Council and National contests (at the discretion of the Speech Contest Chairman at that level), and at school, community and other outside events.

Judging a speech contest is not easy. Our judges can give an unbiased, objective view and offer pertinent recommendations to help all speech contest participants.

The POWERtalk Australia Speech Contest Judges are available to help outside organisations to judge community or school events.

If you are searching for a qualified person to judge a speaking contest, and would like a POWERtalk Australia Speech Contest Judges to assist, please email [info@powertalkaustralia.org.au](mailto:info@powertalkaustralia.org.au) with requests for availability.
