

POWERtalk Australia May 2020 Newsletter

Hello from the Board. How are you all managing in these extraordinary times? Have you developed new ways of coping with all the changes to your life, work and recreation?

POWERtalk Australia's clubs have risen to the challenge of change and are not daunted by the social distancing rule.

Most clubs have continued meeting via Zoom and are reporting great success.

The 100% Cyber Club's first meeting on 5 May was a success with 14 attending including 5 visitors. This will be an ongoing fortnightly event, with one meeting a month on the 1st Tuesday at 10am and the other on the 3rd Monday night at 7pm. Each for an hour. All members are invited to attend these meetings so let Janeen Vosper know if you want to participate in

the programs. These meetings are hoped to encourage new members to join our POWERtalk Australia and if your club has not organised virtual meetings already, this is a great opportunity to participate with your fellow members from around Australia. Next meeting is Monday, May 18 at 7pm and Tuesday June 2 at 10am.

The Board has supplied all clubs with Zoom access for meetings both regular and social. Try it out and let us know how you got on. Do check on the POWERtalk Australia website to make sure no other club is meeting at the same time.
